

## **En Fuego Alcohol Policy**

At En Fuego tournaments and friendly games, our priority is to maintain a safe and family-friendly environment for all players, families, and spectators. The following alcohol policy has been put in place to ensure responsible consumption and prevent any disruption to the event.

### **1. One Drink Per Purchase**

Each customer may only purchase one alcoholic drink for themselves at a time. We will open the drink for you upon purchase to ensure responsible consumption on the premises.

### **2. No Buying for Others**

You may only purchase an alcoholic drink for another person if they are physically present with you at the time of the transaction. We will not allow anyone to buy drinks on behalf of others who are not present.

### **3. ID Checks**

Alcohol will only be sold to individuals 21 years of age or older. IDs will be checked at the time of purchase, and individuals must show a valid government-issued ID.

### **4. Refusal of Service**

We reserve the right to refuse service to anyone who appears visibly intoxicated or who we believe may cause a disruption or create an unsafe environment.

### **5. Limits on Consumption**

In the interest of safety, there may be limits placed on the total number of alcoholic drinks one individual can purchase or consume during the event.

### **6. Zero Tolerance for Misbehavior**

Any behavior that threatens the safety or enjoyment of others will result in immediate removal from the event. This includes unruly behavior caused by intoxication.

### **7. Alcohol-Free Zones**

Certain areas of the venue, such as dugouts and warm-up areas will remain alcohol-free at all times.
